Green Party, Roger Snyder, 14 Robin Dr, Huntington, NY 11743-4712. 631-351-5763, chair@gpsuffolk.org

Please make copies of the enclosed petition.

You can start getting signatures on July 6th. I need the petitions returned to me by August 11th. (See address above.) *It would help if you would return sheets as they are completed.*

To be a witness, (i.e. carry a petition) you must be a registered voter, (in any party, or no party at all), in New York State. Anyone who is a registered voter regardless of party affiliation can sign these petition provided they live in NY State.

You have the right to petition in any public space. You do not have the right to petition on private property (such as inside a mall) without the permission of the property's owner. You may also petition door to door, and I can provide you with a list of registered voters arranged by street if you wish. Be sure to ask all your friends and neighbors to sign.

Do **not** number the pages of your petitions. That will be done when we submit them.

The column "Township" refers to the township a person lives in, not their post office village. In Suffolk they are Babylon, Brookhaven, East Hampton, Huntington, Islip, Riverhead, Shelter Island, Smithtown, Southampton, and Southold. If you are not sure leave it blank.

The person signing the petition **must** sign their name in black or blue ink. It is helpful (but not necessary) if they print their name also. They should enter their street address (not PO Box) and date. Please clarify to the signer the *Township* box, or fill it in yourself, (or leave if blank if unsure). ZIP code is not needed, but can help those "cleaning" the petitions. All that is required for the signer to fill in is their signature, so you may help them fill in date, address, and township, (this information is required, but either the signer or you can fill it in). If there is an error made, draw a line through the signature and use the next line.

You must actually witness the signature. If you are giving petitions to someone else to get signatures, (please) they will be the witness for those signatures. Do not sign the witness statement until you are done with the sheet. Be sure to fill in all the required witness information, including date, number of signatures, address, and township. You cannot witness your own signature; you must have someone else witness you signing.

The petition does not need to be notarized.

If you have any questions, at any time, please contact me (see above). We need over 15,000 signatures statewide this year, and it is important that the petitions are done correctly. This will help the get David McReynolds and the Green Party get on the ballot, help the GP grow, and work towards making the changes we all know we need.

Again, please contact me with any questions, you may have. Thank you very much: Roger Snyder, Chair, Green Party of Suffolk
